

EXPERIENCE

August 2008 - Present
Crispin Porter + Bogusky
Miami, FL
cpbgroup.com

Freelance Designer / Illustrator
Worked hand-in-hand with CP+B as lead illustrator/designer in the development of Burger King's upcoming global packaging campaign. Duties included art directing and creating custom vector illustrations and icon systems for a wide variety of the restaurant's items.

March 2006 - December 2008
FRANK.
Miami, FL
frankworldwide.com

Designer / Art Director
Fully managed projects for a broad range of local clients. Designed, executed and produced concepts for various forms of media including identity/branding, print collateral, advertisements, signage and packaging. Worked in collaboration with CP+B developing concept and design for various national brands like Volkswagen, Geek Squad and Domino's Pizza.

July 2005 - March 2006
Perfect Vision Media Group, LLC
Miami Beach, FL
Custom publishers of Lincoln Road Magazine and Las Olas Magazine

Designer
Designed editorial layouts for three monthly and two quarterly publications. Developed concept and design for various story openers and pre-flighting documents for pre-press while working under extreme turnaround times/deadlines.
